Class Ring

Bill Baltzell '66 is hot on the idea of arranging for the purchase of TAHS class rings if there is enough interest. But he needs to know if it is worth his time and energy to spend in continuing this project. The ring will be almost identical to the class of '67 ring. It will have the Toul Cathedral on one side and a Warrior on the other side. The ring will cost approximately \$205 and up depending on the metal selected and some of the start-up expenses.

If you are interested in obtaining a TAHS class ring, contact Bill at:

TAHS Paver

Lynn Rice Wasinger '66 is doing some research on "The American Overseas Schools Historical Society" Memorial Program. www.aoshs.org/kiosk Pavers can be purchased to represent an overseas school. Sizes range from 4"x8" to 24"x24". Prices range from \$100 to \$2500. She is planning on going to the FL reunion and will speak to us at that time. She thinks it would be a great idea to have a paver representing TAHS at the Wichita Overseas Brat Museum. Donations will be accepted by Lynn. More information will be provided in the next newsletter.
