Comments from the peanut gallery:

Neil: That's what I forgot to tell you, that we thought Ok. was really beautiful . Sort of makes you wonder where the picture of flat desert comes from.

Annette: I still haven't caught up on all my sleep, but I had a great time. It always refreshes my spirit to reconnect with you "old" friends (ha ha).

Carol: The first problem was TRAFFIC getting down from NH. I saw more cars and trucks on that trip than in five days around Tulsa. Will send pics when they are ready. Thanks again for a great reunion. Lots of fun and laughs and well run thanks to all your hard work. Carol

Sue C.: I hope some of you managed to get pix of the trees leading to the house! They were great!!

Janet: The first surprise sister Carol and I had was how Green OK is. We expected lots of dust and dirt and instead found lots of green trees and lawns. Loved "Oklahoma" at Discoveryland; how many performances have you seen with real horses??? Had fun at breakfasts at the Hampton Inn visiting with Neil and Jan Van Arsdol, Jerry and Jan Smith, Lynn Rice, Sue Anderson, Houston Thompson, Pete Boyd and of course Annette Fortner. Even tried the pool, but didn't want to get out when Pete came in. Lots of laughs on Saturday just hanging with Pete and Annette. Disappointed to find the zoo closed on Friday, but enjoyed it on Sunday with Margitta and Annette. Margitta posted our Toul pictures on the trees along her 1/4 mi driveway approaching her house; what a laugh that was. First time we had tried fried okra was Saturday at the BBQ; would certainly have it again.

Jerry: We had a great time, hope to see you again soon. Thanks for your wonderful hospitality, and thanks to David also.

From moi: Several of us visit on a free forum and welcome you. Please check it out.

The banquet will be held on Friday night with dancing to a DJ and great food. The banquet's theme menu is Margaritta-Ville. There will be a CASH bar set-up. We're trying it this way this time as it seems everyone finally breaks the ice at the social on Saturday night and then everyone has to get up early to leave. This time perhaps more friends can get together the next full day and have fun before leaving.
